

TRUE TO LIFE BOOKS

Educating children about endangered animals

Please help support the Library by sending in **HK\$30** by Thursday, 12 October, for this and future Library events.

"To create the True to Life Books, Jan follows wild animals, taking photographs and writing about them in their natural habitats. She is the 'voice' of the animals to help their survival. Jan has travelled to China, Borneo, India, Uganda, Sri Lanka and ten times for the African animals. She has played with orangutans in Borneo, chimps in Uganda and pandas on the mountains of China. She walked with four young lions in Zambia and has been charged by elephants in Amboseli. A cheetah came up to her in Nanyuki and she has held the horn of a rhino!"
