INTERNATIONAL SECTION NEWSLETTER

14th August 2020

Dear Parents and Guardians,

Over the holidays, we have been in discussion with EDB on a variety of matters, there were many things in that meeting for us to work on, but the main issue was that we do intend to start the new school year on 27th August 2020 as planned. We have been reassured that it will be alright to start the new school year as we planned but lessons would be held online as students should not attend school at the present moment.

The Crisis team and the Senior Leadership Team (SLT) have continued to work hard over the last few weeks to prepare a specific plan to ensure that we can get going with an online programme for now. We are aware that for some of our students, it is a new school, with a new teacher and new classmates and for the returning students, it is a new school year and a fresh start for all.

Of course, this is not how we normally begin a school year, but COVID-19 have presented unprecedented challenges to all schools, teachers, parents and students all over the world. No one can yet solve all of problems related to the virus, but we are determined to help our students with their learning with an online environment, whether it be classwork or homework in the safest manner possible.

The staff are excited about being able to greet and work with their students.

Together, we will all move forward in the KIS spirit.

Please be reassured that the school will do all we can to deliver the best we can for your children. We will keep you as up to date as possible with plans for the next academic year as we draw nearer to the 27th August 2020. More details for the set-up, timetables will be released by the Heads of Schools in the coming days ahead.

55 Lei King Road, Sai Wan Ho, Hong Kong
